- Fuse rating 25A

## Features

### PAN MOVE FUNCTION

Allows you to move your cooking pan from one zone to another and it will automatically pick up the selected settings from the zone the pan has been moved from [Power level and timer].

### CHEF MODE

divides the hob into 3 zones with different power levels [low/medium/high], allowing you to cook with multiple pans at the same time. For example, you can fry on an intense heat then slide the pan over to a low temperature zone to keep warm whilst you concentrate on other dishes.
